

# Killamarsh Infant and Nursery School

## A very quick term

The term is over before it has begun! We have been busy as always and last Wednesday we had a very exciting time in 1/FS2S and FS2A/D- the Reception classes from St. Giles came to visit us. We shared a Bear Hunt and sandwiches and iced biscuits made by our children. Everyone had a good time. Look out for photographs of the event. The children got on very well together and we are going for a return visit in June for a Gruffalo party.

It is 25 years since the Ahlbergs wrote

"We're going on a Bear Hunt" and 10 years since Julia Donaldson wrote "The Gruffalo". We needed to celebrate these perennial favourites of all children in a special way and we did.

Golden Table Alfie Daniels, Ellie Williams, Alice McGhee, Natasha Eklid,  
Tai Jones, Molly Eusman, Lily Mordey, Joseph Eaton, Christian Green,  
Harley Firth, Elliot Taylor, Brooke Smith, Harry Howe, Zak Hurst.

## Information

Miss Judson will be away for three weeks at the beginning of next term following an operation. We will miss her very much but we are very pleased that Mrs. Testa who covered in Reception has agreed to join the Nursery Team for the time she is away.

Many parents have asked about Sports Day. The day penciled in tentatively is Wednesday 9th July. Our history with Sports Day is not good as it usually rains but fingers crossed for good weather in the morning.

On 10th July I hope to take some children to sing at a Musical Evening at Eckington School. I will be starting a choir after the holiday and hopefully children will join and come along in the evening to sing to other parents and children from Killamarsh.

## Holiday Task

We ran out of time to set a holiday task for the last holiday but we have already thought about what it should be. There will be a sheet attached to this newsletter for each Key Stage. Do encourage your child to join in. It is something to do together and can be fun!

I am pleased that the child involved in the incident last Friday suffered few injuries despite the severity of the accident. Let's keep reminding our children about being safe on the roads. The speed of traffic is increasing as well as the amount of traffic.

Have a good break and enjoy your wonderful child/ren

Julia Daine
