

# *British Values in Our School*

*Law*

*Rules*

*We understand that having rules in our school helps keep us all safe and makes our school a better place.*

*We know what to expect and how to behave.*

*As we grow we learn about the rules and law of our country and we can make sure that we keep ourselves and others safe.*

# *Freedom and Democracy*

## *Pupil Voice*

*We have opportunity to make choices and express our opinions.*

*Sometimes we vote to make sure our decisions are fair e.g. choosing our School Council or choosing which story we would like our teacher to read.*

*Sometimes teachers ask us about what we enjoy or what we would like to learn about.*

# Tolerance

## Respect

In R.Time we learn to work with others not just our friends. We recognise that we need to co-operate and make decisions together. We have time to share and reflect on how we worked and supported each other.

We learn about other cultures traditions and beliefs.

We recognise similarities and differences and accept these.

As we grow we learn to respect the diversity of our World.

*Our place in the World.*

## *Community*

*In our topics we learn about the geography and history of our country.*

*We learn about our achievements and their impact on the World.*

*We celebrate our Heritage.*

*We see our community as a valuable resource and take opportunities to include this in our curriculum.*
