The children were involved in some very special shows this Christmas. We watched all the visitors to the Little Fir Tree and were pleased to see it decorated. The children sang, danced and acted well. Some children did things for the first time and showed why performances are so important to develop the skills of speaking and listening and self-esteem. It was good to see that KS1 children made their own programmes.

In the Early Years the children celebrated the time of year in songs both traditional and new. It is important to remember the true meaning of Christmas. I enjoyed hearing the parents sing in the Y1/FS2 performance and I know my colleagues also said they found it quite moving. Thank you to everyone involved.

The Christmas Fayre

Another successful event. The PTA raised over £800. Thank you to all of those parents who visited and supported the school. I am not sure how much the children raised but we will put up the figure in school. I know a lot of fun was had around school producing the items that were sold. Thank you to everyone and particularly to the PTA who work so tirelessly to make sure everything goes well. New members always welcome on the committee.

Christmas Jumper Day

What a lot of fun we had on Monday in our seasonal sweaters. There were lots of reindeers, snowmen and Father Christmases in abundance. We raised over £100 for the Save the Children Fund. I think the staff had nearly as much fun as the children and

wore a bright selection of sweaters. Thank you again for your support. It is important for the children to think of others at this time of year and will be remembered more by having some fun!

Have Fun!!

Please take time to think of those who will not be having such a happy Christmas in various places around the world because of poverty, war and personal tragedies.

Enjoy this special time. Childhood is such a short time and we remember it all our lives. Let those memories be happy ones.

Merry Christmas from all of us at Killamarsh Infant and Nursery School!
