

# Killamarsh Infant and Nursery School

## Busy times for all

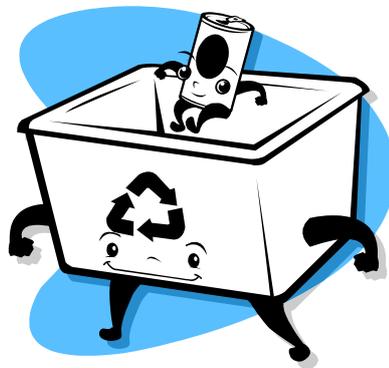

It has been very busy in school this term with lots of activities and even a school trip planned.

Our ECO week was very exciting and Mrs. Hall and Miss Judson organised lots of fun things for us to do. The toy swap gave some of us new toys to play with. I saw a range of things being made from objects we would normally throw away. The children learned a lot about reusing things and the message was clearly to go home and tell parents and carers and other family members about recycling.

The children also enjoyed World Book Day. I hope you have managed to use your voucher. Look around the school and you will find lots of work about a certain hedgehog called Grumpy who was our star on this special day.

## Japanese Doll Festival

It is always fun when we do things as a school and finding out more about Japan and this festival was when we all did some shared learning. Every class made a book that we all shared with each other on World Book Day. I also know that some children had a tea party where they ate sushi they had made. I have also seen photographs of Miss Webster in a kimono and some Japanese sandals! All of the children shared the information they had found out about at home. Thank you for sharing in our learning.

Skye Miles, Oliver Eggleton

Best Attendance 2B, 2/1H/S, 1/FS2S, 2/1H/S, 2/1H/S

Sports Award William Turner, Ted Hibbert, Ruby Mangham

## Sports Relief

Thank you to Miss Webster, Miss Whitehead and the School Council for organising our Sports Relief event. So many children ran the mile with so much energy. Well done to everyone. We have not totalled all of the sponsor money yet but we will let you know as soon as we can how much has been raised.

Today has been our Easter egg hunt and we hope to raise enough money for a new Smartboard for Miss Webster's class.

On Monday our Y2's are going to the Junior school for a hunt arranged by the children there as part of our Enterprise work. I am sure they will have lots of fun.

## Time for a holiday

We break up on 11th April for 2 weeks and return on Monday 28th April. I hope you have a wonderful holiday with your children. Talk, have fun and enjoy them. Childhood is such a precious time- don't miss a minute of it!

If anyone is experienced in keeping chickens, we are hatching them in Reception at the moment. If you would like the chance of taking two or more of them to rear from 11th April please let them know at the office as we have the opportunity to arrange 'adoptions'.

Julia Daine- Happy Easter!
