

# Killamarsh Infant & Nursery School

Spring 2—Wednesday 25th February 2015

## We need your help!

Wednesday 25th February

### Special points of interest:

☺ See dates sheet sent out at the beginning of this week. Keep it on your fridge or somewhere you can easily check dates. There is a copy outside the office if you lose your booklet. Please check with your child's class teacher if you did not receive a copy.

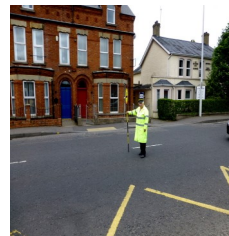

Our nursery numbers for September look very low which is making us think about how to get in more 3 year olds from the area. If you know of anybody who will have a 3 year old child in September who has not already signed up for the 15 hours offer please encourage them to sign up with us.

We are also going to carry out a leaflet drop via the Doorsteppers booklet. Please look out for it and share any ideas you may have to encourage parents to come to us.

## Save our Jan!!!

Before you do anything else this evening go online and fill in the questionnaire from DCC to save Jan our school crossing warden. You have been sent the website details but here it is again:- [www.derbyshire.gov.uk](http://www.derbyshire.gov.uk) - consultations

We are in danger in Killamarsh of losing access to some services and as a school I think we ought to fight. We are going to make a banner to put outside school and let Jan know she is needed on this very busy road. Perhaps DCC should join her one morning and see how inadequate the zebra crossing is!

## Celebration Assembly

2W Charlie Roberts, Lilly Mordey

2/1B Tai Jones, Lee Whitfield

1J Zach Burdett, Max Walker

FS2D/H Connah Johnson, Ryan Wikeley

FS2S Bella Smith, Finlay Firth

Nursery Stars Oliver Eggington, Jorja Dei Rossi, Mollie Kent,  
Joshua Howe

Sports Star Max Fletcher, Isla Bright

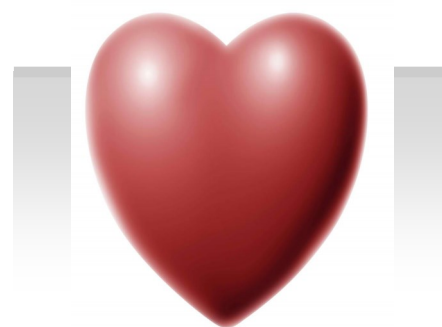

Best Attendance FS2D/H, Y2W

## Red Raffle

Thank you to everyone who took part in our red raffle. We raised over £171 and this has been sent to the British Heart Foundation. The children loved watching the tickets being drawn out and the room was tense with expectation! All prizes have gone home. Our next sponsored event will be red nose day.

Noses are on sale in school and more details will be coming out as soon as possible.

## Schools Vision and Aims

Look around the school for our updated vision, aims and mission statement. We are looking carefully at developing the "mindsets" of our children and looking at the skills, concepts, attitudes and knowledge they will need to be a successful learner. In the next newsletter I will focus on one of the learning powers they need.

We hope everyone has managed to get an appointment with their child/ren's class teacher(s). Look out for our feedback form to help make them more parent friendly next time. Your views are important to us.
