

Killamarsh Infant and Nursery School

Happy New Year

Sorry it is a little bit late and of course we started the year with something wrong with the school. The telegraph pole outside of school came down and we had to work with a mobile phone and only internet access at home for two weeks.

Mrs. Wormleighton and Mrs. Yorke have managed to keep everything running very smoothly and it has not always been easy.

I hope you received your list of school activities for this term which is very nearly over. A new list will be sent out at the beginning of the new term.

The parent consultation sheet for 25th February will go up at the beginning of the new term. Please make sure you sign up for a meeting with your child's class teacher.

Secondary Story Headline

Bad weather is causing many problems at the moment. If the school has any issues we will send a text as soon as possible and also listen to local radio stations to check whether we are open or closed. Please do not ring school unless you have an emergency. We will keep you informed.

Sports award Tyler Dinitto, Rebekah Brown, Jack Hargreaves

Best Attendance FS 2 D/H, 1J, 1J

British Heart Foundation

We have a little boy in Y1 who has many health issues including heart problems. On 6th February, the last day of this half term,

the British Heart Foundation are having a Fund Raising Day. In

support instead of having a non uniform day we are going to hold a

red raffle. The staff will put together red items for the raffle- you could win a bottle of red wine or a bottle of red sauce!

All we ask is that on 6th you send in £1 for a raffle ticket

and we will hold the draw during assembly that day. We should

be able to raise about £150 for this excellent cause. Please support us.

A note : Red Noses are in school ready for the 13th March. On sale next term. Details about day to follow.

We are very busy in school at the moment. The schoolhouse has been sold. The new owners are working closely with the school to ensure the children are safe. You will be noticing change as the weeks go by.

There will be works being carried out in the school over the next year. The windows are going to be replaced all through the school. Floors in the newer part of the building are going to be recovered and new blinds put in. We are also hoping to have some redecoration.

Look out for the gradual changes.

Julia Daine
