Buildings

Since we started the year the children have been learning about buildings, our own and other famous buildings. Harvey in Y2 was telling me about the tallest building in the world in Dubai and that he would like to go and visit there. There has been a lot of building going on and it has been wonderful seeing the children solving problems. By the time you receive this newsletter many of the children will have been to visit the Rykneld building site to look at the building that is going on there. We are very grateful to the contractors who have welcomed us and made our visits fascinating. I wonder how many children will be inspired to build their own homes in the future, or be architects and builders and create new homes for others? Who knows what those homes will look like?

Golden Table

Our midday meal supervisors are consistently trying to improve lunchtimes for the children. We have introduced the 'Golden Table' on Fridays. Children who have behaved well at lunchtime all week get the chance to sit at the Golden Table with Mrs Stockdale and I and share some very polite conversation! Last Friday we were very honoured to share lunch with Harry Walker, Alexander Bush, Abbie Broadley, Joel Hall, Georgia Taylor (who was having a birthday) and William Turner. Thank you for sitting with us a lunchtime. We cannot wait to see who the midday meal supervisors choose next week. Also if anyone has a spare candelabra they would not mind donating to school.....

Coughs and sneezes spread diseases...

Please remember if your child is sick or has diarrhoea they should not return to school until 48 hours after the last time they have had symptoms. Please remember to always telephone/leave a message about absences. We have had many enquiries about how the children are supervised during hand washing. We do remind children constantly, toilet areas contain signs to remind children. We have a hand washing assembly each year and classes work on health and healthy living. We cannot always be with each child to ensure hand washing takes place all the time but with your help we do our best.
