

Killamarsh Infant and Nursery School

Dates until the end of term

Please make a notes of all of the dates. There will be a Y2 prom but the date has to be confirmed with the PTA.

It has been a busy month and the highlight for me was the 'Race for Life' from last week. Well done to every child who took part. It was very moving to see each child running in the heat for other people. Please remember to send in the sponsor form and money. We are trying to raise £500. Let's see what we can do.

Thank you to all the parents who came to help with our Brake Giant Walking Bus. The children felt very proud and I hope we made a difference and some drivers will slow down and think about children when they drive by the school.

Again thank you to parents who have accompanied children on walks around the environment during the past year. We would not be able to go out into the community without you.

Facebook

I know many parents take photographs of their children at school events and then post them on Facebook immediately. Please be aware we have a number of children who are in care and their photographs should not be posted legally. Please ensure you only take photographs of your own child/ren. We have to be very careful and know you would want to support us to keep all of our children safe. Thank you.

Derbyshire County Council

Wednesday 25th June
2014

Special points of interest:

- ☺ 26th June
1W assembly
- ☺ 27th June
1/FS2S and FS2A/D visit
to Lego Discovery Land

Nursery Stars Liam Cook, William Murfield,
Sports Stars Isaac Hibbert, Billy Robinson, Connie Dawson, Will Bingham
Best attendance 1/FS2S, 1W, 1W, 2/1H/S

Reports

School reports for FS2, Year 1 and Year 2 will go out on 11th July. Classes for 2014/15 will be on the reports for all children. Please do not ask teachers or other staff as we do agree a date for telling all parents. If you are going on holiday the report will be available when you return.

Please can I remind you about the Eckington Music evening. I am about to cancel attendance due to lack of interest but will leave it until Friday. It will be a shame if we do not go. All of the children are learning the songs and so there is no extra time needed until the week beginning 7th July.

World Cup

Despite the lack of success of our national side, our World Cup is going very well. Miss Whitehead has organised the event ably supported by our Midday Meals Supervisors. The children are having great fun, working together as a team and developing skills. The children supporting are giving lots of encouragement and we have had only one red card and that was given to a very enthusiastic MMS who shall be nameless!

Walking around the school I can see the children learning about the world they live in through the World Cup and being encouraged to talk about what they have learned. Well done everybody. I wonder if our winning teams will match those who win the World Cup itself. Go into the hall to see our results.
