

Killamarsh Infant and Nursery School

Busy Times

First of all a big thank you to Mrs Weretelnikow and Mrs Beck for ensuring our Y2 pupils completed their SATS with smiles on their faces. Next term it is the turn of our Y1 children with the Phonic Screening taking place on the week beginning 13th June.

It has been a busy term for myself as Acting Headteacher in the absence of Ms Daine. Next term will be just as busy with reports and new class information due out on 19th July. Lots of fun things too with Sports Day, Summer Fayre, Trips, the Y2 Prom and the Y2 Leavers Assembly.

Make sure you make a note of all the dates.

We have been trialing a few changes to our timetable - including Assembly Times. After having spoken to several parents, we will be trialing Class Assemblies and our Friday Celebration Assembly to start approximately at 9.00 am. We hope this will be easier for parents to stay instead of making additional journeys—and also for working parents. Let us know !

Hatching out

Foundation stage were very lucky to welcome 7 chicks into the world—4 boys and 3 girls. The children were fascinated by the experience and lined up chairs to sit and watch. They learnt all about caring for them, got to hold them, and even weigh them in the balance scales! Parents were just as interested and checked on their progress daily. Pupils from other classes also came to take a look.

Nursery stars Antos Koszyk, Emily Wells, Rudi Baker, Amelia Pickering, Joey Bower

Best attendance : 2W, 2W, 2W, FS2 A/H

Good to Celebrate

We are all very proud to celebrate the range of achievements of our pupils out of school. Last week, in a very long assembly, it was mainly the turn of football following on from end of season club presentation nights. It was good to see pupils receiving trophies for Manager's Player, Parents' Player, Players' Player and even a Sportsman award. There was a 100% attendance certificate!

Congratulations to all our pupils who attended and played for their teams—

SPORT IS GOOD FOR YOU!

Sports Day—1st July (if cancelled due to weather then 7th July—if both cancelled school will resort to taking the opportunity to carry out when possible—unfortunately without parents.

Changes

We have had very positive feedback about our new School Office entry area. The area provides greater security and is much more welcoming. Further changes have occurred with new storage around school. We are also looking at enhancing our outdoor environment—so keep a look out.

Have a good Half Term holiday—and see you back in school on Monday 6th June.

Pat Stockdale

Acting Headteacher
