Harvest

Don't forget it is our Harvest Festival Assembly on Wednesday 12th October. Any donations of non-perishable items should be placed, by your child, into the box in the classroom. We will make a display in the hall for Assembly. Look out for the photograph on the website. All items will be donated to the New Hope Food Bank.

I am always amazed by the generosity parents, relatives and staff show to the 'good causes' we support. Such positive role models of support helps our children gain awareness of others needs and how we can all work together to make things better.

HAND WASHING

Due to a high level of sickness in school, can we ask parents to help school encourage their children to wash their hands when going to the toilet.

Advance Notice of Parent Consultation

Wednesday 2nd November 2016 3.20 pm to 6.30 pm

A letter will be coming out to you shortly for you to indicate a preferred time. Our first Parent Consultation evening of the school year focusses on how your child has settled into a new class, their attitude to learning, as well as attainment and progress. Your contributions are important so share information with us and ask questions.

Teaching staff are always available in the morning for quick questions or updates—or please use the home/school diary. A quick note your child can pass to the teacher requesting the teacher check the diary is really useful to ensure a prompt response.

For anything that cannot be answered or resolved with the Class Teacher, please contact the Office to request a call or to arrange a meeting with myself.

My aim is to respond within 2 days.
