

Killamarsh Infant and Nursery School

Welcome

A **BIG** welcome to all our new pupils and welcome back to our returning pupils.

I hope everyone has made the most of the good weather!

Please remember to send in a photo, postcard etc of something you have done in the holiday. Don't forget to put your child's name on & include a simple note of explanation.

Hooray!

Thank you for your patience in using the temporary entry and exit into school. The health and safety concerns have all been addressed and the Foundation Stage staff are now working on further enhancing the outdoor learning provision.

Replacement windows to the back of the school building are complete and are a vast improvement. There are still some ongoing issues with the secondary glazing to the front of the building.
