

# Killamarsh Infant and Nursery School

## Almost Christmas

So many things to remember before Christmas! I have to admit that I forgot it was Blue Day last week. I had written all of the reminders. I feel really embarrassed. Well done to all of the children.

Thank you to Mrs. Atkin for arranging the balloon launch. One balloon has reached Cambridge and one has reached Peterborough. We are still waiting to see which one has travelled the furthest.

We had a very successful anti-bullying week and the children were involved in lots of work about feeling safe and saying No to bullying. If your child tells you anything please come and tell the class teacher as soon as possible. Please remember to check your child's use of the internet. Children should not be left to use the internet alone. It is amazing the number of sites targeting young children. Always be alert!

## Parent consultations

I hope all consultations went well. Please remember that you have access to teachers all the year round and as a school we see your child's learning journey as a partnership involving your child, yourselves and your teacher(s). As a school we are trying to arrange meetings meeting parental needs and in January and February we will be looking at Mathematics.

## Christmas Fayre

On Saturday 7th December we are having our school Christmas Fayre. Please let the PTA know if you are able to help. Make sure you have made your booking to see Father Christmas and make sure you come along to buy the things your child has made to sell as well as a range of other stalls that will be available.

Make sure you have ordered your tickets for the Christmas shows. 1W will only be performing once and so tickets will only be available for that performance. Y2 and Y2/1H/S are performing together. Nursery performances will be held in the Nursery. Morning performances begin at 9.30 and afternoon performances at 1.30.

## Family Dinner

Thank you to all the parents who joined us for our family dinner last week. It was very successful. We are going to hold a taster session for Nursery and Reception parents in the New Year.

Meals are good value for money and are of a high standard. Our school kitchen has five stars! Look at the menus and encourage your child to try a meal.

Enjoy the coming season in school Julia Daine
