

# Killamarsh Infant and Nursery School

## A weeks holiday looms.....

Nearly time for holidays again and a lot of tired children are trying their best to contain their excitement. They have settled very well and a lot of exciting work has been going on.

We have been working on enterprise within the school and you may have heard your children talk about **Pippa Positive, Charlie Communicate, Tim and Tom the Teamwork Twins, Freddie Finance, Izzy Initiative and Chloe Creativity**. They are helping us develop our learning within the school. Look out for their images and what each one stands for. On Friday children in KS1 will be bringing together a number of the skills they have been using this term to sell smoothies linked to their topic of Fighting Fit. Please support them by sending your child in with 20p as well as the £1 for Pink Day.

Friday is the last day of this term. We return to school on **Tuesday 5th November- Bonfire Night!** Remember to support our special school dinner that day. £1.95 for school dinner.

## Halloween

We are not at school for Halloween this year. I will be close to the Transylvanian Mountain Range and will keep a good lookout for Dracula. I have never seen him yet. I am visiting Maria our sponsored child and visiting the Smiles Mission for a week- I could be digging, painting, teaching- who knows?

We always remind children if they go out to Trick or Treat to always go with an adult. If they know an older person lives in the house who may be frightened to not knock on the door. We know Trick or Treating is fun but it can frighten some of the older residents in the village.

However have lots of fun.

## Harvest

Thank you for your wonderful donations for the local hope Food Bank. They were very pleased with our food and assured us that it would be helping many families very soon. We had an assembly in school where Mrs. Stockdale talked to the children about harvest and feeding everyone. Helping others in our community is very important and especially at this time. We are hoping to take part in the Samaritan's Purse Christmas Shoebox Appeal again and will be holding our class challenge for which class can collect the most. I hope the children can be involved in packing the boxes this year. Please send in any old shoe boxes you may have and any child friendly paper to wrap it in. Let's see if we can make up more boxes than last year. We will send out a flyer in the first week of term for what we need.

## Work Shadowing

Thank you for all the feedback we have received from this very busy day. We will be holding another day next term. Your feedback will be given to staff and we will try to meet needs where possible.

Attached to this letter is a writing task for Y1 and Y2. Reception children will have a different task. We are still working at improving reading and writing in the school. Please encourage your child to take part. We will display all of the work sent back in school.

Have a wonderful time with your children.
