

Killamarsh Infant and Nursery School

Wednesday 16th September 2015

Welcome back!

This is our second week and it feels like we have never been away! The new children have settled well and already there is exciting work going on around the school.

I am sure you are aware we have a Breakfast Club being run by the school. We are also going to be starting an After School Club in November with the opportunity for Holiday Clubs included. We will send further details as we have them but we will then be offering Wrap Around Care for our pupils and those in the Junior School.

Our Breakfast Club is open to all children from 7.35 am. £4.00 with breakfast, £2.50 for a drop off without breakfast. Forms from School Office

Please remember that we also take Junior age children at Breakfast Club and that they are supervised when going over to the Juniors at the start of the day.

Assemblies

A full list of class assemblies will go out at the end of the month in the first full newsletter.

Please remember that class assemblies start at 10.15 am and that celebration assemblies start at 10.30 am. If you are unable to attend for your child's celebration assembly because of the short notice, please let us know so that we can delay for a week.

If you have any problems please remember to notify the teacher in the first instance who will do her best to deal with your question/issue.
