

As Geographers, we will be:

- * Understanding geographical similarities and differences through studying the human and physical geography of where we live and Italy.
- * Using maps and atlases to find both the UK and Italy.
- * Learning about foods and traditions from other countries.

As Designers, we will be:

- * Designing and creating our own pizzas.
- * Identify uses for different objects.
- * Designing our own gladiator shield.
- * Using our knowledge of materials and learnt methods to make our own gladiator shield.

Bits and Pizza!

As Historians, we will be:

- * Learning about historical events linked with Italy.
- * Learning about the historic buildings in Italy and their importance.

As Mathematicians, we will be:

- * Collecting information about the weather such as the temperature, rain level and wind direction.
- * Telling the time to the hour, half past, quarter to, quarter past and 5 minute intervals.
- * Solving shape and pattern problems.
- * Solving practical and purposeful fraction problems.

As Writers, we will be:

- * Writing instructions
- * Writing gladiator stories
- * Writing a non-fiction text about Italy.
