

A stylized illustration of a man in a brown suit and white shirt with a yellow tie, holding a globe of the Earth. The globe shows continents in green and oceans in blue. The man is looking towards the right. The background is white with faint outlines of the man's suit and the globe.

As geographers, we will be:

- \* Learning about the 7 continents and 5 oceans.
- \* Using maps to identify places in the world.
- \* Comparing our country to a contrasting non-European country.

As Scientists, we will be:

- \* Learning about the importance of handwashing.
- \* Doing science investigations to find out about the importance of handwashing.
- \* Learning about sea creatures, their structures and food chains.

# Explorers

As Historians, we will be:

- \* Creating our own explorers vehicle.
- \* Thinking about axels and wheels.
- \* Fixing things using different methods.

As Mathematicians, we will be:

- \* Identifying the denominations of different coins and notes.

Making different money amounts using coins.

- \* Solving problems involving money including giving change.
- \* Describing position, direction and movement, including whole, half, quarter and three quarter turns.

As Writers, we will be:

- \* Writing instructions using imperative verbs and time connectives.
- \* Writing Deep Sea Explorers diaries.
