

Killamarsh Infant and Nursery School

A session in FS1

at Killamarsh Infant and Nursery School

8:40 to 8:50 - Children and parents are welcomed into the EYFS unit. They hang up their coats and bags in the conservatory cloakroom on their peg then come inside with their grown up to do their self-registration and for a little play before the tambourine shakes.

8:50 to 9:10 - Children gather on the carpet for hello songs with Christopher Crocodile and register time. We then do Dough Digits to develop our fine motor control and exercise our fingers to make them strong.

9:10 to 9:20 - After Dough Digits we have story time and listen to a story which is linked to our theme of the week. We also look at our Sunshine Behaviour system and think about how we can get to the Gold Star before the end of the session.

9:20 to 10:30 - After story time we have Free Flow where the children can choose where they would like to play and access the indoor and the outdoor learning areas freely. Our motto is 'choose it, use it, put it away!' This helps us to remember to tidy away toys which we have played with ready for the next child to use. During Free Flow time the EYFS adults facilitate children's play and support children to complete focussed jobs. Children can also access the snack area for a drink of milk or water and a piece of fruit/vegetable if they like.

10:30 to 11:00 - after Free Flow time we continue to do 'choose it, use it, put it away!' but in the indoor area only. This allows us to have small group phonic sessions. Phonics helps us to develop our knowledge of letters and sounds which are the building blocks of reading and writing.

11:00 to 11:15 - after phonics time we tidy up our indoor area. We then meet on the carpet ready for songs and rings games such as The Farmer's in His Den. We might also squeeze in a little bit of 'show and tell' time if anybody has brought something from home or would like to share some news.

11:15 to 11:30 after ring games we calmly finish off our session with story and rhyme time. We choose which books to read and which rhymes to sing in our story room.

11:30 to 11:45 - At this point of the session some children will get ready to go home as they only stay for the morning. Children who stay with us all day will then have Wake and Shake in the whiteboard room before washing their hands ready for lunch.

Afternoon sessions reflect the morning sessions to ensure all children have the same experiences in FS1. Some sessions may differ slightly in order to give the children different experiences such as Welly Fun! sessions on the school field.
