We would like to invite you to contribute to your child's '2 Build a Profile Learning Journey' by sharing with us your family observations from home. The easiest way to do this is...

Email inbox@2buildaprofile.com directly with the observation from your registered email address which we have at school (the email should contain the name of the child in the subject)

Alternatively you can...

Reply to the standard PDF Learning Journey that has been sent to you, including a photo or video in the reply

We hope to see your 'Family Observations' soon!
